

SOLAR NOW SERVICES U' LTD COMPANY,
P.O.BOX 10776,
KABALE,
19th JAN 2015

THE DIRECTOR,
ST KONRAD INTEGRATED
VOCATIONAL SCHOOL,
P.O.BOX 946,
KABALE.

Dear Fr. Director,

RE: APPRECIATION LETTER FROM KYAMPEIRE DOREEN

GREETINGS AND GRATITUDES:

I wish to extend my sincere and special greetings to you through Jesus christ our lord and to wish you God's blessings and I pray that the good lord is still protecting and guarding you.

I would like to take this opportunity to thank the almighty God for the protection and guidance, let me take this chance to extend my sincere and whole heartfelt appreciation to all of your support and the great honour of your continued support, may God reward you for this spirit and help you to keep it up.

Again I wish to extend my sincere gratitudes to my sponsor through you for the support, I pray that God continues to bless you all.

EDUCATION HISTORY:

I wish to thank God for **st konrad integrated vocational school** and thank every one who supported me up to this level, may God bless you all.

Let me take this chance to inform you that last year I finished my advanced certificate in electrical installation at st konrad integrated vocational school where I did both my craft 1 and 11, Uganda certificate of education [UCE] and Uganda junior technical certificate [UJTC].

At junior I did Tailoring and cutting garment [TCG] with credit, Uganda certificate of education with third grade, craft 1 and 11 with distinctions, then advanced with credit, I therefore appreciate your support up to this level of education I have attained and plead for your continued support to diploma level or even more.

INTERNSHIP AND EXPERIENCES:

Let me thank God for internship placement in solar now services Uganda limited company at kabale branch since january which will end next year.

Solar now company have 46 branches in Uganda and started in 2006 as rural energy foundation, in 2009 credit was introduced later in 2011 as fully registered Company with its mission and vision "To make renewable energy accessible and affordable to millions of rural

house hold in Africa"and "To power peoples lives" respectively.

In the field the following are my responsibilities.

- Generating leads and sales
- Marketing and sales promotion ,this involves creating awareness and ability among potential interested people to come and buy solars from the company.
- Ensuring that customer care and quality are at the fore front.
- Doing good quaality installation
- Sizing of solar systems for both domestic and industrial use.
- Representing solar now company to the end user.
- Transact on behalf of solar now company.

All of the above have made it possible for me to gain experience in installations of different systems,sizing of systems,team work,good customer care services,communication skills and marketing skills.

Again am so deeply grateful to all of your support and for the great honour of your continued support and for all you have done for me, all I can offer in compensation is my love and the promise of more peaceful years ahead.

May God bless you abundantly.

Yours faithfully.

Jordan
